

Sparkly heart strings

1. Place a mug on a piece of pink paper. Draw around it twice and cut out the circles. Then, cut two circles from purple paper, too.

2. Fold all the circles in half. On one circle, draw a half-circle. Then, keeping the paper folded, cut along the line you have drawn.

3. Keeping the small piece folded, draw the shape of half a heart against the fold. Then, carefully cut along the line.

4. Lay the large 'C' shape on a folded circle and draw around the inside. Draw around it again on the other circles. Cut along the lines.

5. Lay the piece with the heart cut out on a folded circle. Draw around the heart and cut it out. Do the same with the other circles.

6. Open out the shapes. Spread glue on a pink ring, then lay a long piece of thread over it. Press a purple ring on top.

7. Spread glue on a small purple circle and slide it under the thread. Press a pink circle on top. Add the other rings and circles.

8. Glue the hearts in the middle of the rings, in the same way. Then, glue sequins on the shapes and decorate them with glitter.

Leave some thread at the top for hanging.

9. When the glue has dried, turn the shapes over and decorate the other side. Then, trim any spare thread off the bottom.
